

Gopal Kundu

Senior Mechanical Design Engineer | SOLIDWORKS Certified Professional (CSWP)

Dhaka, Bangladesh • gkundu41@gmail.com • linkedin.com/in/gopal-kundu

PROFESSIONAL SUMMARY

Senior Mechanical Design Engineer with 8+ years of corporate CAD experience at BJIT and earlier freelance design work for international clients since 2014. SOLIDWORKS Certified Professional skilled in 2D/3D modelling, sheet metal, weldments and PLM (Teamcenter, 3DEXPERIENCE). Leads CAD teams of 3–5 engineers and builds design automation macros that remove repetitive modelling work. Industrial & Production Engineering graduate from KUET, focused on precise, manufacturing-ready designs.

CORE SKILLS

CAD	SOLIDWORKS, CATIA V6, 3DEXPERIENCE, AutoCAD, Fusion 360
PLM & Macros	Teamcenter, PLM software, VBA / macros, design automation
Design	Mechanical design, sheet metal, weldments, 3D modelling, 2D drafting, GD&T, BOM documentation
Leadership	CAD team lead, design review, release management, cross-functional collaboration
Languages	Bengali (native), English (full professional proficiency)

PROFESSIONAL EXPERIENCE

Senior Mechanical Design Engineer

Oct 2021 – Present

BJIT | Dhaka, Bangladesh

- Lead CAD teams of 3–5 engineers, or deliver single-engineer CAD projects end to end: requirements, 2D/3D modelling, release and delivery.
- Developed VBA/macro-based design automation that reduced repetitive modelling tasks and improved team delivery speed by 40%+.
- Work across SOLIDWORKS, CATIA V6, 3DEXPERIENCE, AutoCAD and Teamcenter on parallel projects; coordinate with bridge engineers, project managers and department heads.
- Review team members' designs and models, give feedback and run performance evaluations of CAD engineers.
- Ensure deliverables meet global quality and productivity standards, including international GD&T and engineering drawing practice.

Mechanical Design Engineer

Aug 2018 – Oct 2021

BJIT | Dhaka, Bangladesh

- Produced 2D and 3D mechanical designs and models for a range of engineering projects.
- Managed design communication and documentation with bridge engineers; maintained accuracy and quality across all deliverables.

Officer, Industrial Engineering

Feb 2018 – Jul 2018

Youngone Corporation | Dhaka EPZ

- Supported industrial engineering and production workflows in a manufacturing environment.

Freelance CAD Engineer

Jan 2014 – Mar 2018

Upwork | Global clients

- Delivered CAD design services for international clients across mechanical, product and bicycle projects (100+ client projects).
- Worked independently across time zones, managing client communication and delivery.

CERTIFICATIONS

- | | |
|--|---|
| • SOLIDWORKS Certified Professional (CSWP), 2022 | • SOLIDWORKS Drawing Tools Professional, 2025 |
| • SOLIDWORKS Design Associate (CSWA), 2022 | • 3DEXPERIENCE SOLIDWORKS Associate, 2022 |
| • SOLIDWORKS Sheet Metal Professional, 2022 | • SOLIDWORKS Mechanical Design Professional |
| • SOLIDWORKS Surfacing Professional, 2022 | • 3DEXPERIENCE Collaborative Business Innovator – Associate |
| • SOLIDWORKS Weldments Professional, 2025 | • 3DEXPERIENCE Collaborative Industry Innovator – Associate |

EDUCATION

Khulna University of Engineering & Technology (KUET)

B.Sc. in Industrial & Production Engineering • CGPA 3.74 / 4.00

2013 – 2017

Goalanda Kamrul Islam Degree College • HSC, Science • GPA 5.00 / 5.00

2010 – 2012

Goalanda Nazir Uddin Pilot Govt. High School • SSC, Science • GPA 5.00 / 5.00

2005 – 2010
